In order to apply for an interview for President of the Club, you must meet the following requirements:

- GPA greater than a 2.5
- Have taken or will be taking at least 1 Leadership Class or 1 Engineering Class
- Attended 75% of general meetings in the last year
- Have 1 season minimum completed
- Participate in at least 40 hours during the prior build season
- Follow and adhere to Del Norte High School and ASB rules

If you meet these requirements, sign your name below and submit a resume with this application. If you do not get the position, you may apply for another position within the club but only 1 other position.

I agree that I have met all of the conditions listed above and will continue to meet them into the next year.
